Hi Mark –

Please find attached the updated CFAC table. I've added some comments and placed them in yellow highlight.

One consistent question is about the narratives. Appears they were placed attached to a response and are therefore in as controlled records. Should the narrative letters be placed into SEMS as individual records?

Please let me know if you have any questions.

Thanks,
Lori

Hi Lori,
Sorry, I've been in meetings. Attached is the draft table we discussed. Thank you for helping to populate the missing information. Please call if you have questions. Thanks!!
Mark
